

## L'associazione di idee - Onlus

<https://lassociazionedidee.it/> Non-profit organization based in Turin. It supports children, youth, and adults with autism, learning difficulties, and other neurodiverse conditions, and their families.

### Target Audience

Parents

Youth: with SLD, Youth with lower mental health resilience

### Benefits of this tool

- Provides structured support and activities that improve inclusion for young people with autism and learning difficulties.
- Offers resources and community support for families, educators, and professionals working with neurodiverse youth.

### Additional Considerations

- Multilingual support:** Information mainly in Italian; personal support may be available in English upon request.
- Cost considerations:** Some resources are free; specific activities or therapy programs may require a fee.
- Technical requirements:** Website accessible via computer, tablet, or smartphone with internet connection. Contact mainly online or by phone.
- Adaptations for DYS-users:** Uses simple, structured programs with strong visual and practical activities, helping dyslexic and neurodiverse youth learn in an inclusive way.

## How to Use with Youth

- 1 **Visit the website:** Go to [www.lassociazionedidee.it](http://www.lassociazionedidee.it) to learn about programs and services.
- 2 **Explore activities:** Check the sections on educational projects, after-school programs, and family support.
- 3 **Contact:** Contact the association through email or phone to sign up for a program.
- 4 **Participate:** Join workshops, social activities, or individual support sessions with the youth.
- 5 **Follow up:** Use resources from the association (guides, materials, events) to continue supporting the youth in daily life.
- 6 **Build community:** Encourage parents and educators to network with other families and professionals through the association.
